

6th International School and Conference
on Optoelectronics, Photonics, Engineering and Nanostructures

«Saint Petersburg OPEN 2019»

St Petersburg, April 22-25, 2019

Dear Colleagues,

We kindly invite all the undergraduate, graduate and PhD students to attend *International School and Conference "Saint Petersburg OPEN 2019"* which is chaired by Nobel Prize laureate in Physics (2000) academician **Zhores I. Alferov**. The Conference will be hosted by *St Petersburg Academic University*.

All accepted proceedings will be published in Conference Theses Book free of charge. Extended version can be published in **IOP Journal of Physics: Conference Series** cited in *Web of Knowledge, Scopus, eLIBRARY* and other scientific databases.

In 2019, *Saint Petersburg OPEN* is paired with *International Conference "SPb Photonic, Optoelectronic, & Electronic Materials" (SPb POEM, April 25-27, 2019)* organized by the Royal Microscopic Society (RMS): www.spb-poem.com. All participants of SPb OPEN are invited to join the audience of SPb POEM as listeners.

Keynote speakers:

Victor Ustinov (*Institution for Microelectronics Research and Engineering RAS, Russia*)

Alexey Zhukov (*St Petersburg Academic University, Russia*)

Sergey Kukushkin (*Institute for Problems in Mechanical Engineering, Russia*)

Ivan Mitropolsky (*St. Petersburg Nuclear Physics Institute "Kurchatov Institute", Russia*)

Alexei Kuzmin (*University of Latvia, Latvia*)

SPb POEM invited conference speakers

Important dates:

Application due date: **March 17, 2019**

Plenary and poster sessions: **April 22-25, 2019**

<http://spbopen.spbau.com/>

The conference carries on the tradition of annual conferences at *St Petersburg Academic University* will be sponsored this year by *Peter the Great St. Petersburg Polytechnic University, and the International Society for Optics and Photonics (SPIE)*.
